If yes - How do you see that training taking place

- In house
- On line
- Face to face at an education facility
- In the workplace during working hours
- After hours
- Other _____

If no – Why _____

Question 5

Does your industry require Licensing or regulatory training?

(blue card, work place health and safety, ??)

Question 6

If answer to previous question is yes - When do you or would your organisation engage in training?

(as part of professional development, when new staff start, as required when we start a new project)

Question 7

What is your understanding of the service that Sunshine Coast TAFE can provide to your business?.

Question 8

What do you look for when developing or selecting training programs for your staff?

- price
- tailoring
- existing relationship
- accreditation
- reputation
- time constraints
- Other _____

Question 9

How would you engage a local training provider?

Question 10

If your company does in-house training - What are the key reasons you have chosen to go down this path?

Question 11

Do you have any expectations of your local TAFE?

Question 12

Have you had past experience with Sunshine Coast TAFE?

If yes – Ask what worked well – What could SCT have done differently.

Question 13

Would you recommend Sunshine Coast TAFE to any business associates, friends or family?

Question 14

Have you had past experience with any other Training Provider?

If yes – Ask what worked well – What could trainer have done differently.

This concludes the survey.

I would like to thank you for your giving up your valuable time.

Could you please email your completed survey to wendy.hornsby@deta.qld.gov.au

Have a nice day.
